

# Sun Java Certification with Batky-Howell Courses

For over 10 years, Batky-Howell's students have been very successful using our curriculum to prepare for the Sun Certification exams. Even though we don't offer precisely the same courses that Sun offers, our courses will get you ready to pass and become a Sun Certified Java professional.

Below is a list of our offerings that will prepare you for specific exams. As you can see, many of our courses will apply to several exam areas.
